

I am very sorry to hear the passing of LTC. Miller. He was my Commander until he retired from the 91st Avn Team, MTC. I was his crew chief, and he was a great pilot. Yes, we Vietnam Veterans are slipping away because of Agent Orange. Like LTC Miller, I too flew in Vietnam as a door gunner, and he was proud of that because he knew he would come home for dinner every night from a mission. A fly-by is honorably due!!! Rest in Peace Sir!!!!
